

Mr MASSON Jean Louis

The Mayor note

*It is with a great pleasure and much of honour that our commune receives the World Junior and sub-Junior Championship of powerlifting..*

*La Garde, sporting city, account more than 10 500 permits in 65 clubs.*

*Thus let us divide, all together, the essential values that are solidarity, the fair play and the spirit of excellence. Proof also, of the quality of our infrastructures able to accommodate great sporting events.*

*This World Junior and sub-Junior Championship will be the occasion, for us all, organizing, voluntary and public to declare our flame with the sport again.*

*La Garde likes the sport, the sport likes La Garde.*
